

## C19 to C20 'V-Lock' Power Cables Data Sheet

- ✓ Prevent inadvertent disconnects by securing C13 and C14 connectors to outlet when the PDU contains the corresponding notched outlets.
- ✓ These are high grade 16Amp, HO5VV-F 1.5mm<sup>2</sup> , PVC jumper cable to conform to global standards.
- ✓ Different coloured IEC cables allow you to clearly identify in racks alternative power paths for different and redundant applications.

✓ Available in 5 lengths and 3 different colours.

✓ Most Schneider APC, Panduit, Enlogic, and NextGen HP PDUs are fitted with these outlets.

Product Code	Product Description	Length	Price*
8054141	C19 to C20 'V-Lock' Power Cable - Blue	0.5M	£12.38
8054142	C19 to C20 'V-Lock' Power Cable - Blue	0.9M	£14.93
8054143	C19 to C20 'V-Lock' Power Cable - Blue	1.2M	£17.43
