

## Excel Cat6A FTP Screened Toolless Keystone Jacks Data Sheet

- Suitable for mounting in a range of housings from patch panels, faceplates and shutters to sub floor boxes and work area distribution enclosures.
- The socket itself is housed in a high quality zinc die cast housing which opens at the rear in a butterfly manner to reveal the IDC termination points.
- Once the conductors of the cable are fed into a management cap the process is completed by snapping the 'butterfly wings' together with minimal, but firm pressure.

Toolless termination design.

360 degree shielding protects against alien crosstalk.

Suitable for installation in 37mm back box with bevelled faceplate.
