

Excel Cat6A Screened 24 Port 1U Patch Panel Data Sheet

-  Excel Cat6A screened patch panels have been designed to meet or exceed the latest ISO and TIA requirements for Cat6A compliance.
-  Termination can be made using LSA compatible tools, and cable tie bridges are positioned between the IDC blocks to relieve cable stress.

Each panel consists of a number of 6-way blocks of RJ45 sockets, housed in screened quality moulding.

Each panel is supplied with rear cable management bar, earthing kit, cage nuts and mini cable ties.

-  Ease of installation is assured with built in rear cable clamps to ensure quality grounding is achieved.

-  Comes with a 25 year system warranty.

-  Fast fit rear cable management.

Excel Cat6A UTP Unscreened Keystone Jacks

These Cat6A UTP Excel keystone modules are suitable for mounting in a range of patch panels, faceplates and shutters, to floor boxes and work area distribution enclosures.

The socket itself is housed in a high quality ABS plastic housing which opens at the rear to reveal the IDC termination points.
