

Excel Cat6A Unscreened 24 Port Punchdown 1U Patch Panel Data Sheet

- The Excel Cat6A unscreened twisted pair patch panels are presented as 24 staggered RJ45 ports to limit the alien crosstalk produced when installed.
- The front of the panel is moulded from a UL94V-0 rated ABS plastic which contains the new easy to use slide label system.
- Each block of 6 sockets has its own label which can be removed from the top of the covered label field.
- Each panel is supplied with rear cable management bar, earthing kits, cage nuts and mini cable ties.

The label strip itself is protected by a clear, tough plastic insert.

Termination can be made using 110 compatible tooling.

T568A/B wiring configuration and 110 style termination blocks.

Excel Cat6A UTP Unscreened Keystone Jacks

These Cat6A UTP Excel keystone modules are suitable for mounting in a range of patch panels, faceplates and shutters, to floor boxes and work area distribution enclosures.

The socket itself is housed in a high quality ABS plastic housing which opens at the rear to reveal the IDC termination points.
